

REMARKS

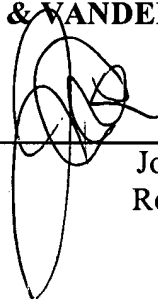

This is in response to the Office Action dated July 14, 2008. Applicant notes with appreciation the Examiner's allowance of claims 10, 12, 14, 16, 18 and 20.

Allowable subject matter of claims 10 and 12 has been added to claims 9 and 11. In particular, the phrase "the diffuser processed layer is located on an opposite side of the liquid crystal layer than a reflective electrode of the reflective region" has been added to claims 9 and 11. Thus, all claims are now in condition for allowance.

Respectfully submitted,

NIXON & VANDERHYE P.C.
